

The International Academy of Chiropractic Neurology

DEDICATED TO EXCELLENCE IN CHIROPRACTIC NEUROLOGY

- A unified forum for the exchange of ideas, concepts, and professional opinions
- Supporting research and the pursuit of excellence in chiropractic neuroscience and post graduate neurological education
- Enhancing the quality of chiropractic neurological care through CCE accredited program sponsors, a valid and standardized certification process, and accountability for maintaining a high level of competence in current concepts
- Promoting the highest standards of moral and ethical conduct among chiropractic neurologists
